

## WHO ARE WE?

Sutherland Shire Refugee Connection, formed in 2018, is a volunteer organisation of like-minded individuals with the sense of compassion and concern for our fellow human beings, who want to help and support people from refugee and refugee-like backgrounds to settle in the Sutherland Shire.

We aim to assist with the practical challenges that refugees face when settling in to a new area, and also offer friendship and social support as they forge their new beginning.

## THE SUTHERLAND SHIRE IS A REFUGEE WELCOME ZONE.

### OUR VISION

We aim to welcome people from a refugee and refugee-like background and assist them to make a new beginning in the Sutherland Shire, fostering a culturally diverse and inclusive community.

## A NEW BEGINNING

Moving to a new country can be difficult at the best of times, but for people of a refugee background who have experienced various forms of danger, trauma and uncertainty, it can be particularly hard.

There are many practical issues to address, such as finding accommodation, employment, schools for the children, and understanding government services, as well as learning a new language and developing links within the community.
